

YARRAMSETTI KODANDA RAM VINAY

✉ ykrvinay@gmail.com ☎ +91-6305615246 📍 Amalapuram, Andhra Pradesh

PROFILE

Motivated and detail-oriented civil engineering graduate with a strong academic background in Building Information Modeling (BIM), architectural design, and structural planning. Proficient in BIM workflows, 3D modeling, and design software such as AutoCAD, Revit, and Navisworks. Eager to apply theoretical knowledge to real-world projects, focusing on digital construction, sustainable design, and efficient building systems. Possess strong problem-solving abilities, technical expertise, and a collaborative mindset. Seeking an entry-level position in BIM, architecture, or design to gain hands-on experience, learn from industry experts, and contribute to innovative and sustainable building solutions.

EDUCATION

Rajiv Gandhi University of Knowledge and technologies	2021 – 2025
Civil Engineering - Percentage - 70%	Srikakulam
Rajiv Gandhi University of Knowledge and technologies	2019 – 2021
PUC - Percentage - 75%	srikakulam
ZPH School - L.Gannavaram	2018 – 2019
10 th - Percentage - 98%	Andhra pradesh

SKILLS

- AutoCAD (Drafting)
- Designing
- 3D Modeling
- Revit Architecture
- Drawing Reading
- Revit Structure

LANGUAGES

- TELUGU
- ENGLISH
- HINDI

PROJECTS

Floor Plan Design, AutoCAD

- Designed a detailed floor plan using AutoCAD, incorporating space planning and structural elements.
- Gained experience in layer management, dimensioning, and annotations.
- Developed technical drafting skills to visualize architectural layouts effectively.

Layout Design, AutoCAD

- Designed a detailed layout plan using AutoCAD, incorporating space utilization and efficiency.
- Applied layer management, dimensioning, and annotations for a professional and structured output.
- Ensured compliance with industry drafting standards and improved technical drawing accuracy.
- Developed skills in site planning, architectural layouts, and blueprint interpretation.

CERTIFICATIONS

- AutoCAD Internship - Acadomor
- Smart tools And Smart Designs (Work shop) – RGUKT SKLM
- GIS Summer Intern – Spatial hawk
- Modern Surveying Techniques- RGUKT SKLM
- Critical Thinking and Problem Solving-Edx

INTERNSHIPS

AUTOCAD INTERN

05/2024

- Gained hands-on experience in AutoCAD drafting and design for civil engineering projects.
- Developed 2D drawings, floor plans, and structural layouts as per industry standards.
- Assisted in modifying and optimizing designs to improve efficiency and accuracy.
- Enhanced technical skills in 2D drafting and detailing for engineering and architectural projects.

Remote

SOFTWARES

AutoCAD

Revit

Navisworks

MS office – Excel, MS word, Power point
