ABOUT US

SVR Agro Farms Private Limited

Founded in 2021 and based in Telangana, India.

Specializes in manufacturing and **exporting instant food products.** The company transforms **high-quality agricultural produce** into ready-to-eat meals for domestic and international markets.

VISION

To be a **global leader** in instant food manufacturing from India by offering

- **Authentic flavours**
- **Sustainable practices**
- **Uncompromised quality.**

MISSION

To transform India's rich agricultural produce into **hygienic, nutritious,** and convenient instant foods suited for modern lifestyles.

MARKETING STRATEGY

- **Brand Positioning:** Authentic non-veg biryani—anytime, anywhere
- **Premium Packaging:** Eco-friendly and attractive design
- **Promotions:** Influencer marketing, IT parks, colleges
- **Omni-Channel Sales:** Retail, airlines, airports, online platforms, export

WHY THE TASTE COMPANY

- Fast-growing RTE market (16–20% CAGR)
- First-mover advantage in non-veg instant biryanis
- Confirmed & trial orders from domestic and export partners
- Strong APEDA & MSME support for branding and exports

THE TASTE COMPANY- MARKET PRESENCE & STRATEGY

DOMESTIC TRACTION

- Presence in 500+ retail outlets across Hyderabad and Bangalore
- Expansion plan to 3,000+ stores
- Strategic partnerships with airlines and airports
- Available on Amazon, Flipkart, and company website
- Planned expansion into quick commerce platforms

MARKET POTENTIAL EXPORT

The global demand for authentic Indian instant food is growing rapidly across:

- Middle East
- USA
- UK
- Southeast Asia

This demand is driven by the Indian diaspora and international consumers seeking ethnic and gourmet cuisines, supported by government export initiatives.
